

NIZAM'S INSTITUTE OF MEDICAL SCIENCES (NIMS)

Punjagutta, Hyderabad – 500082

(An Autonomous Institute under Government of Telangana)

Ref. No.: NIMS/CIR/BCD/01/2026.

Date: 17th Aug, 2026.

NOTIFICATION

Applications are invited from eligible candidates for the temporary/contractual position of Clinical Research Coordinator under the Breast Cancer Detection (BCD) Vertical, Department of Radiodiagnosis, NIMS, Hyderabad, purely on a project/contractual basis, co-terminus with the project period.

Post	Clinical Research Coordinator (1 post)
Project/Vertical	Breast Cancer Detection (BCD) Vertical – AI-assisted Breast Cancer Screening Study, Department of Radiodiagnosis
Essential Qualification	MBBS / BDS from a recognized university (Fresh graduates are encouraged to apply)
Desirable	Prior exposure to clinical research / data management; interest and willingness to work in Artificial Intelligence (AI)-driven healthcare projects
Age Limit	Below 30 years (relaxation as per institute norms for reserved categories)
Remuneration	₹6,00,000 per annum (consolidated), subject to release of project funds
Leave	As per ICMR guidelines applicable to project staff
Duration	Initially for one year or co-terminus with the project, extendable/renewable based on performance and project continuation
Notice Period	One month's notice (or equivalent remuneration in lieu thereof) required from either side for discontinuation of engagement
Place of Work	NIMS, Punjagutta, Hyderabad, with requirement to coordinate across participating clinical departments
Last Date to Apply	Within 15 days from the date of publication of this notification

Roles and Responsibilities / Skill Set Required:

- Ability to work closely and effectively with faculty and staff across multiple clinical departments for successful execution of the project.
- Willingness to be mobile within hospital premises for participant recruitment, sample/specimen tracking, and cross-department coordination.
- Sound understanding of clinical research data collection methodology, including case report forms (CRFs), informed consent processes, and Good Clinical Practice (GCP) principles.
- Proficiency in data sorting, cleaning, entry, and uploading onto institutional/study databases (e.g., REDCap, Excel, or equivalent platforms).
- Basic computer literacy including MS Office and comfort with digital data-entry systems.
- Interest and aptitude in Artificial Intelligence (AI) applications in healthcare will be considered an added advantage.
- Good communication, interpersonal, and organizational skills; ability to work under supervision of faculty investigators.
- Fresh MBBS/BDS graduates are welcome to apply; prior clinical research experience is desirable but not mandatory.

Interested candidates fulfilling the above criteria may submit their applications along with an updated CV and copies of relevant certificates to The Dean, NIMS, Hyderabad, on or before the last date specified above. For queries, candidates may contact 040 –2348 9352.

Note: This notification is issued subject to formal approval and release of project funds. Shortlisted candidates will be called for an interview; no TA/DA will be provided for attending the interview.

Dr.P.Chandra Sekhar
Dean NIMS
Hyderabad
